To Whom It May Concern

The main buildings of the United Pentecostal Church of Bridge City were devastated by Hurricane Rita and a tornado in September 2005.

Flood Masters with Henry LaBrie handled the insurance claim and the reconstruction. Their professional expertise was invaluable during the ensuing year and two months.

After demo-ing the buildings all the way to the studs, we now basically have new facilities. Our appreciation of Flood Masters is extensive.

Their handling of the insurance claim was exemplary.

We would recommend Flood Masters to all!

Sincerely,

UNITED PENTECOSTAL CHURCH
