We here at Rogina, Inc. have had the opportunity and privilege to work for and along side AAA Flood Masters. Many of our joint projects have been during times of challenge and great crisis to the individuals and communities affected. As indoor environmental consultants it is necessary for Rogina, Inc. to be only affiliated with most informed and precise indoor air quality and restoration companies in the indoor environment industry. It is our opinion at Rogina, Inc that AAA Flood Masters Inc. is one of the best, if not the best in the world. It has been our experience while working with AAA Flood Master that they have consistently performed demanding duties in an exemplary and highly professional manner. They displayed exceptional leadership and resourcefulness while flawlessly completing multiple projects with extraordinary expertise. The diligence of AAA Flood Master caused significant contributions to many projects affecting people's homes, livelihoods, places of employment, and worship. AAA Flood Master's exceptional professionalism, initiative and loyal dedication throughout these projects reflects great credit upon themselves and the high standards in the industry they have branded.
